The City of Sherman offers free monthly collection of bulk waste and brush for Sherman residents with active water and residential trash accounts. The Program operates by section of the City on the first four Mondays of the Month. The guide below can help you determine your pick up week

Curbside Recycling Suspended June 15, 2020

Due to changing conditions in the global recycling markets and high levels of contamination in our recycling stream, the City modified the Curbside Recycling Program. Effective June 15, 2020 the City of Sherman is suspending the curbside pick up portion of the program. Residents may drop off recycling at the Drop-off Center at 811 South East Street
